For Immediate Release

Fox Blocks by Airlite Plastics JOINS THE ICF MANUFACTURERS ASSOCIATION

Ottawa, Ontario, February 10, 2017 — The ICF Manufacturers Association (ICFMA) is very pleased to welcome its newest Primary Member, *Fox Blocks by Airlite Plastics*.

On February 10, 2017, Fox Blocks joined the ICFMA and became the sixth primary member of the ICFMA, joining Nudura Corporation, Logix Insulated Concrete Forms Ltd., Quad-Lock Building Systems Ltd., Superform Products Ltd. and BuildBlock Building Systems.

“We are very pleased to welcome Mike Kennaw and his Fox Blocks team to the fold.” says Andy Lennox, Chair of the ICFMA. “The mission of the ICFMA is to promote and enhance the social, environmental and economic value of insulating concrete forms in the North American marketplace. Our industry has a great story to tell, and the ICFMA has had great success since our inception in representing and growing the ICF industry in an energetic and professional manner. Having Fox Blocks on the team will only make our organization stronger and more effective as we move forward.”

“Fox Blocks by Airlite Plastics Co. of Omaha, Nebraska, values the opportunity to join the ICFMA as its newest manufacturer partner.” says Mike Kennaw, Vice President, Marketing and Sales of Fox Blocks. “We feel the ICF industry is on the verge of significant market share growth, and we have plans to leverage our 70 plus years of manufacturing and 20 plus years of ICF experience to participate strategically in the growth that lies ahead. The collaborative partnership within the ICFMA will allow the sharing of resources to accomplish our mutual goals.”

About Fox Blocks by Airlite Plastics: Fox Blocks High Performance Wall Systems provide an extremely energy efficient building envelope offering superior strength, sound, air quality, and well insulated walls. As a leading manufacturer of insulated concrete forms (ICF), Fox Blocks strives to bring the highest building performance to architects, general contractors, distributors, builders and owners through an innovative line of products. Fox Blocks provides a building envelope that gives superior results when compared to conventional building methods — an envelope that resists harmful mold, dust and allergens, along with powerful wind, storm and fire damage.

About the ICFMA: *The Insulating Concrete Forms Manufacturers Association is the North American non-profit trade association for the Insulating Concrete Form industry. It was founded in 2014 by a dedicated group of manufacturers with the shared interest of promoting and enhancing the social, environmental and economic value of insulating concrete forms in the North American marketplace.*
